Professional Summary

Computer Science Graduate specializing in Python, Machine Learning and Deep Learning, with hands on experience developing end to end ML pipeline. Skilled in data preprocessing, feature engineering, model training, evaluation and deployment. Expertise in Scikit-learn, Tensorflow, Keras and model Deployment Tools.

Technical Skills And Soft Skills

Programming Languages : Python(Object-Oriented Programming), C++

Machine Learning and Deep Learning : Supervised & Unsupervised Learning, Linear & Logistic Regression, Decision Trees,

K-Means Clustering, Convolutional Neural Networks (CNNs), Transfer Learning

Computer Vision : OpenCV, YOLO, EasyOCR, Image Classification, Object Detection, Image Preprocessing

Data Analysis & Visualization : Pandas, NumPy, Matplotlib, Seaborn, Exploratory Data Analysis (EDA)

Frameworks & Tools : TensorFlow, Keras, Scikit-learn, Streamlit, Jupyter Notebook, Google Collab, VS Code, GitGitHub

SoftSkills : Communication Skill, Problem Solving, Analytical Thinking, Team Collabration

Project Experience

1. **Recommendation System using Machine Learning**
   - Technologies: Python, Pandas, NumPy, Scikit-learn
   - Built an ML model to recommend crops using soil (NPK, pH) and weather data.
   - Performed data preprocessing and applied Random Forest and Decision Tree models.
   - Improved crop selection for better productivity and sustainability.

2. **Kisan AI Doctor – Crop Disease Detection using CNN**
   - **Technologies:** Python, TensorFlow (2.20), Keras (3.12), NumPy, Streamlit, Docker
   - Developed a Convolutional Neural Network (CNN) model to classify plant leaf diseases from images.
   - Performed image preprocessing including resizing (224x224), normalization, and batch preparation.
   - Achieved ~91% validation accuracy on plant disease dataset.
   - Built an interactive Streamlit web application for real-time disease prediction with confidence score.

Certification

- E&ICT academy IIT Guwahati X Cybrom Technology – Artificial Intelligence & Machine Learning
- Data Analytics Job Simulation Certificate of Completion, Deloitte (via Forage)
- Oracle Certified Foundations Associate – AI Foundation Certification

Education

Technocrats Institute Of Technology Excellence, Bhopal *2021 - 2025*
B.Tech in Computer Science and Engineering (Artificial Intelligence And Machine Learning)

Modern Higher Secondary School Seoni *2020*
Class XII, MP Board

Modern Higher Secondary School Seoni *2018*
Class X, MP Board
